

I was the founding president. Initially the club was called Lismore District Riding and Harness Club. Neil Barns was on the executive committee and Toni Appleton did a lot of work. A lot of our efforts were focused on dealing with Lismore Council to get club grounds - unsuccessfully. Toni Appleton drew up extensive plans for South Lismore. The council seem to have used her plans and catered for ball sports instead in approximately 1982/1983.
